### Public Involvement and Agency Coordination

Provided on CD with the Draft EIS and available on  
the project website at [www.soundtransit.org/lle](http://www.soundtransit.org/lle)

**Appendix L Table L-1. Lynnwood Link Extension Outreach**

In addition to the Draft EIS scoping meetings and related outreach described in Chapter 6, Sound Transit met with many other parties as part of the Draft EIS development. The meetings included agency and stakeholder briefings, including with groups involving or servicing low income and minority populations. Sound Transit also developed public displays and produced newsletters at several points leading up to the Draft EIS release.
